nothing else compares

Founded in 1946, Caio is an ISO 9001-2000 full line bus body manufacturer located in Sao Paulo, Brazil.

The North American introduction of the Caio G3400 raises the standard of the US bus industry by providing passengers with unsurpassed design and comfort.

Operators benefit from the G3400's heavy-duty integral construction, impeccable quality and a nationwide sales and service dealer network... all at affordable prices.

With you wherever you go.
